

Birthday Book Club

***The Ventura Missionary School Library has a wonderful way to celebrate your child's birthday ***

You may honor your child's birthday by purchasing a book for the library through the Birthday Book Club. We have on hand, a variety of library bound books priced at \$20.00. After filling out the form below and returning it with the money, the birthday child will visit the library during his/her birth month to select a book for the library as a gift from him/her. A bookplate on the inside cover will acknowledge it as a gift from your child and will feature your child's name and picture (if you supply a printed photo). The book or a portion of it will be read to your child's class during their library visit. Your child will be the first one to check out the book after it is purchased. In addition, your child's name will be displayed on a special Birthday Club wall.

If you wish to participate in the program, simply fill out the form below and make your check payable to VMS. Return the form, money, and photo to the teacher or the library mailbox in the office. We will ask your child to choose a book during the month of his/her birthday. Summer birthdays will be celebrated during the 'half-birthday' month.

Thank you for your support of the Ventura Missionary School Library. The students like returning to check out a previous year's birthday book. Siblings and friends enjoy this "surprise" treasure also as they check out books during the year. We look forward to welcoming your child into the Birthday Book Club!!!

(Cut and return this portion to your child's teacher or library mailbox in the office.)
